WHY IT MATTERS

A gift that *changes lives*

The young people we walk alongside never chose their start in life. Many grow up without parents, or without anyone who truly looks after them, and with few chances to change that.

Here, boys without a father find someone who is a father to them, and girls without a mother find a mother's care. They find a safe place to be, and people who believe in them.

What your purchase makes possible

- **Health**
  Medical and dental care when they need it.
- **School**
  Tutoring and support, so they can stay in school.
- **Sport and play**
  Sport, and time to simply be young.
- **Their families**
  Practical help at home, like food in hard times.

OUR PROMISE

Where the money goes

Kingdom Treasures is led by volunteers. They receive no salary or personal income from it. Everything Kingdom Treasures receives goes into the work.

"The kingdom of heaven is like treasure hidden in a field …"
